Arizona School Choice Trust, Inc. (ASCT) is a "school tuition organization" as defined in A.R.S. Section 43-1089, and as such, must allocate at least 90 percent of its annual revenue for educational scholarships or tuition grants to children to allow them to attend any qualified school of their parents' choice. Up to 10 percent of all revenues can be used for administration. ASCT cannot award, restrict or reserve scholarships solely on the basis of donor recommendation. Additionally, a taxpayer may not claim a tax credit if the taxpayer agrees to swap donations with another taxpayer to benefit either taxpayer's own dependent.
